

Profiles of Services

Perry Community School District for 2004-2005

This Profiles of Services is a brief report of some of the key services provided by Heartland Area Education Agency for the Perry Community School District.

Improving student achievement

Heartland Area Education Agency has been helping children reach their potential since 1975. The agency works in partnership with public and accredited nonpublic schools to provide educational services, programs and resources for improving student achievement.

The more than 870* Heartland AEA staff members serve preschool children, K-12 students, families, educators and sometimes entire communities.

**This figure includes about 170 Des Moines Public Schools special education positions funded by Heartland AEA.*

Heartland AEA area

Schools: 54 public school districts and 32 accredited nonpublic schools

Students: 126,000

Educators: 12,000

School buildings: 330

Counties: 11—Audubon, Boone, Carroll, Dallas, Guthrie, Jasper, Madison, Marion, Polk, Story and Warren

About the agency

Chief administrator: Wayne Rand

Associate administrators: Tom Hoffman and Jim Stumme

Founded: 1975

Area: 6,518 square miles

Branch offices: Adel, Ames, Audubon, Carroll, Des Moines, Guthrie Center, Indianola, Johnston, Knoxville, Newton and Woodside (Ankeny)

Shelter Care Educational Program sites: Ames, Des Moines (3), Indianola, Manning and Newton

Youth At Risk Consortium: Des Moines Area Community College in Ankeny, and school sites

Perry and Heartland AEA

Partners in Education

Full AEA Accreditation. Heartland AEA was fully accredited in 2005 by the State Board of Education. Accreditation is the result of AEA 11's continuous improvement process to better serve Perry CSD and other districts. Accreditation helps AEAs improve the quality and focus of their services in order to assist schools and districts to improve student learning.

Support for Diverse Learners. Heartland AEA provides many services to six diverse learner populations:

- Early Access (birth to age 3)
- Special Education
- Gifted and Talented
- Section 504
- English Language Learners
- Youth At-Risk

Heartland staff support and assist Perry to identify diverse learners through screening and assessments, create an equitable learning environment for these youth and evaluate their outcomes.

Internet Savings. Perry participates in aggregate Internet service through Heartland to the Internet service provider, the ICN. This service saved the district about \$5,700 last year. Heartland also provides a free district Internet filter.

Focus on High Schools. Heartland is assisting Area 11 educators to enhance the quality and effectiveness of high school education. The agency is sponsoring learning and sharing opportunities for high school leadership teams to support Iowa's initiative to strengthen its high schools.

Big Books. Big Books are oversized books for children. The enlarged print and graphics capture students' interest and help build a foundation for reading. Perry CSD purchased 51 Big Books from Heartland, which subsidized their cost and offered them for \$5 each.

Technology to Improve Learning Heartland AEA provides several technology programs including staff development, E2T2 middle school math initiative, student technology fair, listservs and consultations. Heartland helps Perry staff identify and implement technologies to improve teaching and learning.

Cooperative Purchasing Perry CSD purchased school supplies and materials totaling \$14,892 through Heartland's Cooperative Services program. Cooperative purchasing saves money for school districts on a variety of classroom, office and maintenance products.

School Improvement. School improvement focuses on programs for school and community planning to increase student achievement. School improvement consultants work closely with school staff to plan and provide professional development activities to improve skills leading to better teaching and learning.

Better Hearing Heartland staff members annually screen the hearing of every Perry elementary student and do follow-up evaluations when needed.

Assessment Services. AEA 11's Assessment Services staff provide Perry educators support for collecting, analyzing and using classroom, school and district data. Assessment Services provides test and survey development, a scanning center for custom-made bubble sheet tests, the HEART program to generate data graphs and much more.

Curriculum and Instruction. AEA curriculum consultants provide resources and capacity building for school and district staff in reading, math and science. Consultants also support teacher and administrator leadership.

Student, Teacher Resources 24/7. Iowa AEA Online (www.iowaAEAonline.org) features educational resources funded and provided by Iowa's AEAs. Resources such as World Book Online and ClipArt.com are accessible from school or home 24 hours a day. Iowa AEA Online supports the content standards for school curriculum and student learning by bringing a wealth of information to teachers and students. Contact Heartland for a password.

Project SEMI. Perry CSD is among the districts with a teacher trained to use Heartland's Project SEMI with students. SEMI (Science Education Mobile Instruction) is Iowa's only mobile life sciences lab, a 53-foot semitrailer that brings cutting-edge biotechnology equipment, materials and curriculum to schools. SEMI was used by Perry science students in fall 2005.

Connecting Parents, Educators. Heartland's Parent-Educator Connection links Perry educators and parents of children with significant special needs. PEC staff, themselves parents of individuals with special needs, provide services that link teachers and parents for the benefit of the student.

Intro to AEA. Perry staff participated in Heartland's new teacher open house in 2004 and 2005 to learn about the services, materials and technology available at the AEA to help them become better educators.

CRISS Strategies. AEA staff have been training and supporting Perry's 6-12 educators to implement CRISS learning strategies. CRISS (creating independence through student-owned strategies) encourages independent thinking to help students learn what is meaningful.

Heartland staff assigned to Perry schools

Adapted Physical Education	Robin Olberding
Assistive Technology	Sue Young
Audiology	Cindy Moses
Audiometrist	Brenda Pierce
Autism Resource	John Drinnin
Challenging Behavior	Barb Rankin
